Complaint Summary:

I don't know where else to send this message, so I have decided to send it here. I would like these comments to be registered with the people deciding on the merger with Sirius and XM Satellite Radio. I am a huge NFL fan and a huge MLB fan. NFL is on Sirius and MLB is on XM, exclusively. That means that I have to pay \$26 per month for my car so I can hear both. I also have to have 2 different radios in my car. If the companies merged, I could get them both, along with other great channels that they both offer. I am sure that there are millions of people like me who would benefit from a combined company. It is like there being 2 different kinds of tv sets. One will give you NBC and ABC, the other one will give you CBS and Fox. Would it not be better to have one tv that would give you all the networks? Makes sense, doesn't it.
